

### CONGRATULATIONS, YOU'VE FOUND IT! INTENTIONALLY OR NOT!

# What is this hidden container sitting here for?

It is part of a worldwide game dedicated to GPS (Global Positioning System) users, called Geocaching. The game basically involves a GPS user hiding "treasure" (this container and its contents), and publishing the exact coordinates so other GPS users can come on a "treasure hunt" to find it.

The only rules are: if you take something from the geocache, you must leave something in the geocache, and you must sign the logbook.

### IF YOU FOUND THIS CONTAINER BY ACCIDENT...

Great! You are welcome to join us! We ask only that you:

Please do not move or vandalize the container.
If you wish, go ahead and take something.
Sign the Logbook

Geocaching is open to everyone with a GPS and a sense of adventure.

If this container happens to be sitting on private property and you wish it removed, please let us know. We apologize, and will be happy to move it.
